

## HOLDS THE FIRE.

It is a great satisfaction to own a heating stove that will hold the fire all night with any kind of fuel. The genuine Round Oak will do it and keep on doing it as long as you run it. There are no seams or joints to open after a winter's use. It is tight and no amount of use can affect its fire-holding qualities. It will pay you to see it. The genuine has the name on the leg and door.

We are Also Back in the Old Stand with a complete line of Buggies, Surreys, Road Wagons, Hacks and Mitchell Wagons, and Buggy Harness and **IMPLEMENTS.**

Also Hardware, Stoves and Ranges. The largest and best assortment of new heating stoves in the town at the lowest prices. Look around, then get our prices and be convinced.
